The Potentate's Message

ILLUSTRIOUS POTENTATE GEORGE A. WEEKS

Dear Nobles:

ANOTHER year in Aleppo Temple is drawing to a close, and through the infinite wisdom and goodness of Divine Providence, we assemble again in our Annual Ceremonial to engage in deliberations upon subjects of direct interest to our beloved Temple.

May we as the fourth largest Temple in Shrinedom, give our best thoughts and earnest consideration to all matters involving the welfare and unite in constructive endeavors to advance the interests of Aleppo Temple.

The man who comes to the Shrine has his Masonic origin in the Blue Lodge, where he was taught to reverence the name of God and pray for guidance. He came on through one of the Rites where his knowledge of the dignity of Masonry was expanded, and the Shrine was provided for him as a place where he might join with his brothers for fun, pleasure and amusement.

New leaders take over new responsibilities each year. Aleppo will grow and its influence spread according to the inspiration, understanding, and leadership of those in whose hands rest these responsibilities.

One year ago you placed in my hands the emblem of authority. It is a great and enlightening experience to serve as the Potentate of this great Temple. It is an honor to be deemed worthy, a privilege to serve, and a challenge to extend its many purposes.

I entered the year with the highest hopes and ambitious plans, and as the year draws to a close, I recognize how inadequate have been my efforts, and how small my accomplishments. I was proud to accept the emblem of authority as your Potentate, as it completed thirty-three years of my active service in Aleppo Temple Patrol and Divan.

Whether this authority has been wisely and satisfactorily used, you must now judge.

A review of our Activities for the year shows we held four Ceremonials. The December 4th Ceremonial was outstanding, with new setting, new lighting, new sound equipment, and for the first time, our new Ritualistic Team had a chance to show their talent in presenting the Ritualistic Degree Work at seven o'clock in the evening. This is the first time this work has been done on Grand Hall stage for many years.

The only criticism so far has been too much noise in the rear of the Hall, which we hope can be corrected in the future. We congratulate Noble Hy Waterhouse, our Stage Manager and Chief Electrician, for setting up the stage and arranging the lighting and all electrical equipment.

We held two Shrine Luncheons this year. The October 31st Luncheon had the greatest attendance ever to attend a Shrine Luncheon — nearly 900. Our speaker was Dr. H. Guyford Stever, Professor of Aeronautical Engineering at M. I. T.

The Annual Potentate's Ball held in the Statler Hotel in March was another grand affair, and was enjoyed by over 1,000 Nobles and their Ladies.

The Annual Shrine Ball Game at Fenway Park was well attended by over 6,500 Nobles and their families.

The All-Masonic Night, held again this year at the Boston Garden, was attended by more than 16,000 Masons and their families.

The Magical-Musical Review, sponsored by Aleppo Temple at the Shubert Theatre, and featuring the Great Kalanag in Sim Sala Bim, was new this year. Congratulations to Imperial Sir Illustrious Robert Gardiner Wilson, Jr. for his ability to procure and feature this new and novel entertainment.

For the first time the combined Uniformed Units of our Temple held their first Ladies' Night, Dinner, Entertainment and Dance in the Crystal Ballroom of the Hotel Statler on December 11th. It was attended by over 500 members of our various Units and their Ladies. Colonel Ray Fridolin of the Uniformed Units presided and deserves great credit for his foresight in planning and arranging this innovation of our Uniformed Units. Congratulations, Ray, on a job well done.

And last but not least, the visit of our Divan, Officers and Uniformed Units to the Imperial Council Session in Minneapolis, Minnesota, the week of July 15, 1957.

Nobles, my year as Potentate draws to a close. Before I relinquish my station, let me once more express my appreciation to each and every one of you for your loyal support and co-operation and for your earnest efforts to promote Shrinedom. It has been a privilege to serve as your Potentate. I deeply appreciate your confidence. It has given me an opportunity to make a host of new friends, and to renew old friendships. The old saying, "Hearts know each other," is never truer than when two people from opposite ends of the earth meet and immediately sense the union of kindred spirits. The sincere advice of a true friend stimulates and encourages us on the road to a higher and happier life. So cultivate your friends, love them and be true to them, and the greater you will grow.

A Happy and Prosperous New Year to each and every Noble.

Sincerely yours in the Faith,

George A. Weeks

Illustrious Potentate.

A DEMOLAY SPEAKS TO MASONS

(Following is an editorial which appeared in the Masonic Tribune of Seattle, Washington. It was written by DeMolay Roger Simpson, a student at the University of Washington and public relations director of the Washington State Chapter. It is our hope that it will be read by thousands of Masons . . . and DeMolays . . . because it is an important and inspiring expression of a DeMolay's views with regard to the great Masonic fraternity and his beloved DeMolay.—EDITOR)

I am one of a vast army of youth — the Order of DeMolay. I cannot presume to speak for that army, but in the confidence that many others share my views, I appeal to you, our respected leaders — members of the Masonic fraternity.

Three million young men have entered the portals of DeMolay, passed through its hallowed territory, and moved into the adult world — in almost every case better prepared to serve their fellow men.

And as we travel the road of DeMolay, an organization potentially the world's greatest and most influential for youth training, achievement and service, we look to Masonry for inspiration, interest and understanding.

We have been granted one of the greatest gifts your fraternity can bestow, the opportunity to meet in the atmosphere of the sacred tradition of Masonry — the Temple.

Yet, in the frankness of youth, we ask and expect more. We believe in our organization strongly enough to ask of the members of Freemasonry inspiration, guidance, protection and cooperation.

We look to every Mason to provide for us and the younger boys who will follow, an example of uprightness and dedication to principles which will never show us a violation of those precious ideals on which both orders are based.

We urge you to offer guidance and leadership to chapters of the Order of DeMolay. DeMolay needs qualified, dedicated adult leaders in unlimited numbers. In no chapter of our organization do we now have enough.

We plead for more Masonic advisers who show both a desire to serve DeMolay and the experience and temperament to work with young, impressionable minds. In addition, we depend on Masonry for the extension of DeMolay. No DeMolay chapter was ever started on DeMolay initiative alone. Masons must lay the groundwork, inspire a desire for membership in the youth of the community, and then maintain their own interest and attendance in the chapter.

DeMolay relies upon you for protection — protection from the devious paths down which our inexperience may lead us; protection through the strength of group opinion from influence which may be unwisely or unknowingly exerted upon us and finally protection of our inherent right to full democratic process of our own chapters.

The youthfulness of DeMolay asks cooperation with the maturity of Freemasonry. We ask an opportunity to help you in your service to mankind and expect in return your support for our efforts to achieve the same goals.

In practical terms, we suggest that every lodge near to a DeMolay chapter have an active committee, preferably of revolving membership, to work with us to help make the fullest use of our opportunities. And please remember: A Mason is always welcome at a chapter meeting. Indeed, his attendance is needed.

Finally, we suggest that no action be taken or opinion be made about DeMolay without consultation with our members or advisors by the brethren or the lodge.

Optimistically, I declare this opinion held by young men of the Order of DeMolay: As our goals, dreams and activities are supported by the strength of Masonic interest, DeMolay will continue to progress and ascend to new heights of service to mankind.

DID YOU KNOW?

Freemasonry imposes no religion upon its votaries and denies them no religion. It imposes a belief in a Supreme Being, and requires that its votaries so act that they may be prepared for life beyond the veil. That's about all there is to what Freemasonry requires, but we have many beautiful ceremonies that illustrate these simple things.

LETTERS FROM NOBILITY!

"Agate Beach, Oregon
"December 12, 1957

"Dear Noble:

While on an extended trip we visited your city October 18th to October 20th of this year. While coming in from the South we became quite confused. I stopped to make some inquiries and while parked a gentleman (Noble) pulled in behind our car and talked with my wife. He said he had noticed our Oregon registration plate and thought perhaps we may need help in getting into the city. Like an answer to a prayer we did need help. He said he was going to Copley Square in Boston and to follow him as he was going our way. Reaching that point we knew where we were and located our hotel in a matter of minutes. We were so 'jittery' we forgot to get his name. We thanked him but he must have thought we were not very grateful. However, that is not all — when we were ready to leave your city the following Sunday we again found it difficult to find our way. We inquired of a gentleman (again a Noble) who was just getting into his car. He said, "I can't tell you, but I am going out that way, just follow me." We didn't get his name either, but am taking this method of letting these Nobles know how much we appreciated their courtesy.

"I am a member of Al Kader Temple of Portland, Oregon. I now live in Agate Beach, Oregon.

"In the Spirit of Christmas my wife joins me in saying, 'thanks a million' and wishing you the best of everything for the holidays and the New Year. Especial good wishes to the two Nobles who helped us so graciously.

"Sincerely,

"Dear Noble:

"Please convey my compliments and appreciation to all who had a part in the wonderful work of last evening. (December 4 Ceremonial.)

"It was most enjoyable and greatly appreciated by the members of our party from Natick. Many of us have not had the opportunity to see the ritual work since our initiations several years ago.

"For the good of Masonry and Shrinedom let's have a similar ceremonial at least once every year.

"Sincerely yours,

ZOR TEMPLE HONORS THEIR OLDEST NOBLE

CANDIDATE Frank F. (Judge) Wheeler was the oldest man to be initiated into the Shrine when he "crossed the hot sands" at Zor Temple, Madison, Wisconsin, in 1953 at the age of 102 years. Noble Wheeler was 106 years old on Thanksgiving Day, November 28, 1957. He became a member of Muscoda Masonic Lodge No. 70 when he was 100 years of age and followed that with work in the Scottish Rite in 1952. On Saturday, November 30th, Zor Temple had a Birthday Party for him at noon and named their 1957 Fall Class, which was initiated the evening of November 30th, the "Frank (Judge) Wheeler Class."

THE SYMBOL by Joy Fidler

BY their "hats" ye shall know them. Leading a brilliant, exciting parade, presenting the show under the big top amid the joyous shouts of little cripples, building the hospitals from whence many of them have come are Shriners, topped by the traditional fez. Always have these men borne their "hats" with pride, the pride of men whose consciences are not prey to long past, long concealed deeds. Never has the shape, the size, the color, the symbol of these "caps" wavered from that of the original, for how can the basic principles of good life change? The answer is quite simple, they can not; they will not. Lying, cheating men, constantly attempting to deprive others of their rightful, even God-given possessions, have fought the battle for the dis-establishment of these facts. They are not the ones whom we see distributing kindness to those unused to that luxury, bearing the gift of Thoughtfulness reared by weak, too often untried laughter. Certainly, reward takes many forms but are all supplemented by the sigh of true satisfaction as that which surely must be emitted by the wearers of those "silly little caps?" Silly little caps, sometimes the object of finger-pointing and laughter, the definition applied by those who do not understand, and perhaps the statement, the action of men who have not realized those high ideals set by the wearers of these "hats".

No, Shriners are not saints; only one Man was created for that role. But the fez symbolizes a life braced and mortared by the most noble standards, the fez worn by men as God wished them to be, men practicing not such worldly deeds, desiring not earthly, and so many times, ill-gotten gains. Truly, by the "Red Fez" ye shall know them; for this symbol of moral integrity ye shall have respect.

FROM GRAND MASTER OF IDAHO Elbert S. Rawls, The Recorder of Calam Temple, Lewiston, Idaho

MY YEAR as Grand Master of Masons in Idaho will be over when you receive this message. Although the year is over, the happy memories of my year will linger on forever.

I want to thank the many loyal Shriners who attended the meetings of their Blue Lodges when I made my official visits. Many of you told me that was the first time you had been to Blue Lodge for a long time. Why not make it a habit and attend your Blue Lodge meetings?

I want to thank each and every one of you for being so patient this year with your Recorder. Also I appreciate the assistance of our Potentate and Officers as well as many Nobles including Noble Jerry Dahlgren, who has very ably taken care of the office details.

I feel more keenly that the Shrine is part of Masonry whether it is officially recognized by the Blue Lodge or not. Because we are part of the Masonic Family it is very important for us to live and act like Masons. The Shrine is an organization of gentlemen, always remember this. Remember we have fun without vulgarity.

In closing I would like to remind each of you that a MAN NEVER WALKED SO STRAIGHT AS WHEN HE STOOPS TO HELP A CRIPPLED CHILD.

OYSTER BOWL GAME BIGGEST YET FINANCIALLY

FROM the standpoint of financial benefit, the sellout 1957 Oyster Bowl Shrine Football Game was the biggest yet in the 11-year series. Khedive Temple of Roanoke, Virginia, counted a \$65,000 profit for the benefit of the Shriners Hospitals. The 11-year series has realized \$489,000 for the World's Greatest Philanthropy, the Shriners Hospitals for Crippled Children.

INCONSISTENT

WHAT would you think of a man who at the expense of years of study and much money, secured an education and then never read a book or wrote a letter?

This is what thousands of Masons and Shriners are doing in regard to their fraternities. They spend much money and time in acquiring degrees, and then never inform themselves as to what they paid their money for, and know nothing of the history or philosophy of Freemasonry. They do not take a Masonic periodical nor buy a Masonic history, and many go to Lodge so sel-

dom that were it not for some old standby, they would be refused admittance because they could not work their way in.

Don't let this happen to you, Brother.

DUTIES OF A MASON TO HIS BROTHER

MASONRY was never more clearly and succinctly defined than by DeWitt Clinton. In 1793 he said, "A Mason is bound to consult the happiness and to promote the interests of his brother; to avoid everything offensive to his feelings; to abstain from reproach; to avoid everything offensive to his feelings; to abstain from reproach; to avoid everything offensive to his feelings; to abstain from reproach; to avoid everything offensive to his feelings; to advance the reputation and welfare of his family; to protect the chastity of his house; to defend his life, property, and that which is dear to a man of honor, his character, against unjust attacks; to relieve his wants and his distress; to instill into his mind proper ideas of conduct in the department of life which he is called to fill; and let me add, to foster his schemes of interest and promotion, if compatible with the paramount duties a man owes to the community."

These are words that might well be pondered by those of us who today wear the square and compass.

"WHAT HAPPENS TO THEM LATER?"

*Excerpt from The Spokesman-Review, Spokane, Washington
Tuesday, September 24, 1957*

A MOTHER in Ronan, Montana, thinks it's time the Shriners Hospitals for Crippled Children got some credit for mending more than young people's bodies.

Mrs. Mocabee should know. From 1949 through 1952 her son Lance spent most of his time in the Spokane children's hospital. He was brought there after both legs had been badly burned in a weed fire.

"I feel the people should know how much the hospital does to give the children a new lease on life and to mold good character," begins Mrs. Finley Mocabee.

"It was believed that Lance would never walk without a brace or crutches when he entered the Shriners Hospital," confides his mother. This is what has happened since:

"For three years Lance has led his Ronan high school class in grades and behavior; he's served as delegate to Boys State at Western Montana College of Education in Dillon; he's just finished a season as third baseman for the Ronan Junior League team, with the highest batting average on the team (.429); he's Master Councilor of his DeMolay chapter, an active member of the Methodist Youth fellowship and manager of the Ronan Chiefs football team."

All this, from a boy to whom despair could have been easy; discouragement almost automatic.

"Most of the credit," writes Lance's mother, "belongs to the Chief Surgeon and Miss Emma Sargent, Director of the Spokane Unit of the Shrine Hospitals. I think they deserve the greatest commendation."

So do we.

WHAT TO TELL EVERY MASON ELIGIBLE FOR THE SHRINE

EVERY eligible Mason is now asking himself if this is the time to join the Shrine. We submit to each of you that we have only to cast our thoughts across the waters for a moment to know that there are lands where the "fellowship of man" is no longer practiced, where people do not know what liberty means to worthwhile living, or the power and blessings our freedom of thought, speech and action gives through freedom from dread despair and oppression. The man who is loyal to the ideals of democracy and wants to keep his courage high — the man who really wants his life to count, can find buoyancy, comfort and inspiration by rubbing elbows with those under the unfurled banner of Shrinedom. Now is the only time you own. Your yesterdays are only a memory, and your tomorrows may not provide the opportunity. Procrastination will never permit you to enjoy the sunshine of the Shrine. Decide today you want to play a part in the great panorama of life in a manner that is within your reach, where your smile will get bigger and your spirits will get younger.

TURKEY TIME AT SPRINGFIELD UNIT

SIXTY boys and girls at the New England Unit of the Shriners Hospitals for Crippled Children, Springfield, enjoyed a Thanksgiving Day dinner with all the fixings in the hospital's new schoolroom which was dedicated in October. It was the first time the youngsters had their holiday meal in one group. In past years, boys and girls dined in separate groups because of space limitations. The turkeys were carved by Dr. Garry deN. Hough, Jr., Chief Surgeon, Dr. Leon Kruger and Dr. Garry deN. Hough, 3rd.

It takes over 3,000 bolts to hold an automobile together and only one nut to scatter it all over the landscape.

Upon arrival in France, a tourist inquired, "Where is the American section of Paris?" The quick reply was, "The first 10 rows at the Folies Bergere!"

FITCHBURG-LEOMINSTER SHRINE CLUB Officers for 1958 recently elected include, from left, John Thomas, 2nd Vice Pres.; Charles M. Hassett, President; Lewis M. Perlstein, outgoing Pres.; J. Everett White, Secretary and, Philip Waterhouse, Treasurer.

FITCHBURG-LEOMINSTER SHRINE CLUB OFFICERS ELECTED

WELL known local caterer, Noble Charles M. Hassett, Whalom district, Fitchburg, was elected president of the Fitchburg-Leominster Shrine Club at the annual meeting, December 9, 1957, at Kings Corner Restaurant, Fitchburg. He succeeds Noble Lewis M. Perlstein of Leominster.

Other officers elected were Nobles Charles Ztrakas, Leominster, first vice president; John Thomas, Fitchburg, second vice president; J. Everett White, Fitchburg, secretary; Philip Waterhouse, Fitchburg, treasurer; Robert Hyatt, Ashby, and Ralph Gilcrest, Leominster, directors for three years; Russell Cook and Wilfred G. Harvey, Leominster, directors for two years and Earle Rugg, Leominster and Lester Rome, Fitchburg, directors for one year.

Carlisle F. Taylor, Fitchburg, presented a report on progress made by the Youth Guidance committee of the Club.

A gift was presented to Mr. Perlstein, retiring president, by Mr. Thomas on behalf of the Club.

THIS IS THE LAW

TO BE a member of the Shrine one must be a member in good standing of either the Commandery, Knights Templar, or the Consistory, Scottish Rite Masons. It is not compulsory to be a member of both Rites, but good standing in the Rite of one's choice is obligatory. This is the Shrine Law.

For one to be a member in good standing in either of the above mentioned Rites, one must be of good standing in his Blue Lodge.

This was the requirement when you came into the Shrine, and this is the way it must stay as long as you are in the Shrine. Every year a certain number of Shriners figure they can go along in the "Sunshine of the Shrine" and not pay their dues in the Masonic Bodies. Consequently it becomes necessary, in such cases, for the Shrine to suspend those Nobles who fail to pay their dues in their prerequisite Masonic Bodies, for non-affiliation.

Nobles, don't let this happen to you. Remember that to remain in the Shrine you must maintain your "Status quo."

Did you know that 66 books of the Bible cover a period of 3,000 years — also that the great grandson of Sitting Bull, Chief Crazy Bull, is a 33° Mason?

DEGREE STAFF — OUR UNSUNG HEROS

MOST of us are content to do the laughing on the sidelines without being involved in any way in the caprices through which candidates for our Order must pass to enable them to find their peers. We are just satisfied not to be the middle man, or the conductor of our aspiring noblemen — because of the frequent boomerang possibilities of their close proximity to the intended torment they are charged with inflicting. But, the purpose of this treatise is to spotlight: (1) the planning ahead of time by those responsible for experiments intended to produce mirth; (2) accoutrements and scenery necessary to make the effect of the obstacles realistic; (3) the manpower necessary to guide the unsuspecting novice into the crafty pitfalls of calculated risks!

Our work in the Shrine is a combination of the serious and solemn, and the ridiculous and hilarious. What is serious and solemn makes us proud to bear its symbol—for it is incalculable, for instance, how much good 850,000 men can do in providing hospitals for crippled children. What may be ridiculous and hilarious requires research, review and recommendation by a highly specialized staff of discerning funmakers—who have access to information from other Shrines as to what has proved to be entertaining and successful—and which would likely be novel and pleasing to the hermits of our own desert. This group must consider, in their choice of antics, the degree of discomfort to be inflicted; the reaction of resistance of innocent victims; and the harmlessness of the insult on the dignity of our candidates—all within the range of fun. Whatever is selected obviously must be safe, inoffensive and clean!

Naturally, in each group of candidates, we have older members—who in theory at least, are required to pass over the same obstacles, pitfalls and walk the same blistering sands—but, who in fact, ride in comfort aback the stately camel, while the more nimble, frivolous and younger volunteers, who can qualify, assume the hazards of the perilous journey. The venturesome selected must be physically fit, be below an unstated minimum age and be willing to 'take it' in good spirit for the rest of us. They are costumed, disguised by make-up and given an extra serving of ice cream!

In the United States there are 166 Temples, such as Aleppo which have the responsibility of amusing their respective memberships—and, in about an hour's time, they average at each of their meetings perhaps 20 incidents. It is very seldom that any of these reoccur too frequently, so that during the course of the year, we see close to 75 entirely different 'horrors' in which we suffer with the candidate in his misery, and yet enjoy in conclusion a hearty chuckle!

Once the incident is selected for presentation, it sets in motion a long series of other actions. For instance, the properties involved have to be procured; checked for their being in operating condition; and personnel briefed and rehearsed for the carrying out of each new project. This requires several preliminary consultations by the 'wrecking crew' headed by Noble Bill Garcia. He is the Director of the Temple and works with a staff of 55 other Nobles. Some of these artists are veterans of many years. Take, for instance, Nobles Frank W. Watson, Director for 11 years; and Emil Zepp, Raymond E. Parker, Mitchell Hambro, Guy Sargent, Sidney M. Abbott and Leroy P. Henderson all with over 25 years of regular and active service. To see any of these face-to-face would give you the impression of their complete innocence and gentle kindly instincts—and yet, in action what devils of torture they turn out to be—of course, in fun! It is glamorous being in the Shrine Patrols; exciting being in the Shrine Band or Chanters—but, the unsung heros are the funmakers, the tripsters, the befuddlers, the strong men of the desert—who lurk at every nook and corner to intercept unsuspecting travelers as they pled towards the Holy City in search of Allah. These chills and sputniks—and that as we come in the presence of the Holy One, we may lay aside all differences of rank, title, birth, party, race, creed or circumstances—and bow before Him in sincere humility and reverence. Such an Allah the World needs today—for our differences are, indeed, superficial—compared to the need for Brotherhood on Earth and Universal Good-Will!

BABE RUTH'S PHILOSOPHY HELPED CRIPPLE REALIZE DESIRE TO PITCH

MODERN SURGERY and an indomitable will are a great combination. If you don't think so, you might consider the case of Joseph Chmielewicz of Webster, Mass., who, though crippled from infantile paralysis, through the genius of the Shriners Hospital at Springfield and a blazing determination, realized his childhood ambition of becoming a baseball pitcher.

Coach George H. Finnegan praises Joseph's pluck and hard work and says it is on ability alone that he was chosen as first-string moundsman of the high school team.

Probably psychologists could give a comprehensive explanation of Joseph's ambition, grit and determination to get well. The will is a powerful influence and has accomplished many amazing things. However, to the casual observer, it looks as though Babe Ruth had a lot to do with it.

It seems that when Joseph, who was 10 years old at the time, went to the Shriners Hospital to have the defect in his left leg, which was six inches shorter than his right, corrected, he was a devout worshipper of the "Bambino". In fact, his hero's name was so often on his little lips while he was lying for two years on a hospital cot that other children nicknamed him "Babe Ruth".

One day, late in May, 1935, Babe and some more of the Yankees (he was with the New York Yankees at that time) visited the Hospital to cheer up the kiddies with autographed baseballs and tales of the big-league diamond. Someone in one of the cots told him about his namesake from Webster who worshipped him and who hoped some day to be able to play.

Babe learned from a doctor that bones were being operated upon in an effort to straighten the leg. The doctor said, "We're doing all we can, of course, but in these cases you never can tell."

All eyes in the ward were widened as the "Sultan of Swat", the idol of millions, walked up to Joseph's bed.

"Hello, Babe," said Ruth, "I hear they've named you after me around here." Ten-year-old Joseph Chmielewicz was speechless. "And I also hear you're going to get well and become a baseball player." Joseph was shaking the Bambino's hand and with the thrill of it all, couldn't find his tongue. "You know, Joseph," the Babe continued, "if you really want to you can accomplish anything in this world, it's just a matter of will power. Nothing's impossible. Some day you'll find yourself in a big-league lineup, if you really make up your mind that you're going to get well and get there. Many great men have had to overcome obstacles before they could accomplish things. Don't forget what I've told you, 'Babe', and maybe some day I'll be sitting in the grandstand or bleachers watching you bang 'em out." Before he left, Babe Ruth gave the Webster boy a bat and an autographed baseball, which Joseph has to this day and which are among his prized possessions.

Joseph has never forgotten the Babe's philosophy.

OLD MEN?

IN THE FIELD of sports, especially baseball, a man is supposed to be "an old man" at the age of 30 years. In recently published 1957 baseball records, "Mister Baseball"—Ted Williams of the Boston Red Sox, showing his many accomplishments of the past season at the age of 39, brings to mind the records of some real "old timers".

Ted Lyons was 45 when he pitched and won the 260th game of his career, then with the White Sox.

Ty Cobb batted .323 for the Philadelphia A's at the age of 42.

Rogers Hornsby was still playing in the "big time" at the age of 46.

Eddie Collins hit .338 for the A's at the age of 40.

Tris Speaker, who has been for many years a Noble of Aleppo, batted .344 for the A's at the age of 45.

Looks like Ted is good for at least another 5 years!

REPORT OF OUR 15th ANNUAL SHRINE SHOW

OUR 15th Annual Shrine Show, sponsored by Aleppo Temple, is now history, having run for 18 performances, with 6 matinees and 12 evening shows. During the years, we have varied Shrine Circus engagements at the Boston Garden with two Garden shows of a somewhat different variety featuring "Dancing Waters", and this past autumn with an entirely new venture at an even more accessible location. Prolonged negotiations last summer finally resulted in our obtaining sponsorship for the first appearance in this country of the Great Kalanag in a musical review at the Shubert Theatre from Tuesday, October 29 through November 10. Hailed as the modern successor of Houdini, Thurston, Blackstone and other mystifying magicians of happy memory, the internationally famous Kalanag, in his production called "Sim Sala Bim", was calculated to fulfill our primary requirement of a production appropriate for children and yet with sufficient adult appeal to assure reasonable financial success. This unusual production fortunately proved to be novel, unique, and entertaining.

We are again sincerely grateful for the continued and enthusiastic interest by so many of the Nobility of Aleppo Temple. Only the most loyal cooperation, and the cheerful, generous response by thousands of our membership have made this annual event not only an outstanding success but also a most effective means of creating and sustaining most enviable and favorable public relations for Shrinedom throughout eastern Massachusetts. Each year it has been increasingly gratifying to find how many friends our Temple has. But most especially it has been a thrilling, heart-warming inspiration to experience the generous support and widespread approval evidenced by Aleppo Nobles far and near.

We are again pleased to report financial success, the results of which will appear in the annual report. Even more important was the successful response to our invitations extended charitable and hospital agencies throughout metropolitan Boston, as a result of which thousands of less-privileged children attended our 1957 show as grateful guests of Aleppo Nobles and our friends, including special performances on Thursday, and Friday. Incident to these performances a most cooperative group of volunteers from our official Aleppo Temple Guards again served tirelessly in the courteous greeting and efficient, orderly seating of group after group of children from scores of agencies.

Closing this report we quote a few typical responses by institutions, organizations, and groups whose children or patients were grateful guests during the 13 day Kalanag engagement, followed by a few brief messages from among the hundreds of letters received from the Nobility.

Yours with and in the Faith,

Robert Gardiner Wilson Jr.

Potentate's Message

IN the short time since January 27, when you elevated me to the office of Illustrrious Potentate of Aleppo Temple, there has been brought to me a deep consciousness of the responsibilities that are mine. I accept the responsibilities and will discharge these duties to the best of my ability, with the hope that Aleppo Temple will continue to grow in membership, activity and fraternalism, and that the Nobility will feel the confidence they placed in me is warranted.

Your Potentate and his Officers have spent a great deal of time arranging an active year for the Nobility of Aleppo Temple. In another section of this notice you will find a partial list of these activities and coming events.

Four days after the election we attended the Executive Board meeting of the Northeastern Shrine Association in Halifax, Nova Scotia, and at that meeting Aleppo Temple was made the host Temple for the 1958 Northeastern Shrine Association Annual Field Day and Convention, to be held in Boston, August 22 and 23. In connection with this Convention, we will have an elaborate street parade with the Marching Units, Mounted Patrols, Bands, Chanters, Oriental Bands, and other Uniformed Units of the thirteen Northeastern Temples participating. Shrine Day at the Boston Red Sox Ball Park will be August 22, with all of the thirteen Temple Units and Bands taking part. There will also be a Ceremonial in conjunction with this Convention. Now is the time to arrange for your Candidate to be sponsored at this great Convention Ceremonial.

Another big two-day event of Aleppo will be the Summer Strawberry Festival Ceremonial, Friday, June 6,

in Mechanics Building, at which our Imperial Potentate, Thomas W. Melham, will be our honored guest. On Saturday, June 7, our annual All Masonic Night will be held in Boston Garden, with our Past Imperial Potentate Robert Gardiner Wilson, Jr. as General Chairman.

Nobles, to make our program for 1958 a success, your Temple needs the support of each and every Noble. The two ways this support will really help is by your attendance at our functions and your Candidates for membership. With your attendance, you are participating in the comradeship and fraternalism around which the Shrine is built. With your Candidates for membership, you are giving a friend and eligible Mason an opportunity, as a Shriner, to be a part of the great philanthropic work of the Shriners Hospitals for Crippled Children, sponsored by the Shrine of North America.

Aleppo Temple has made big strides in the past, but it needs your help and cooperation to go forward and continue to be counted among the leading Temples in Shrinedom. It is toward this goal that we must continue to stride.

NOBLES, IT'S GREAT TO BE A SHRINER!

Sincerely yours in the Faith,

Edgar L. Turner

DO YOU BELONG TO A SHRINE CLUB?

THERE are eight fine Shrine Clubs located in strategic points throughout the jurisdiction of Aleppo Temple. These Clubs are doing an outstanding job of spreading the sunshine of the Shrine as well as furthering the interest of our well known philanthropy, the Shriners Hospitals for Crippled Children.

A Noble needs only to visit a meeting or function of one of these Clubs to recognize its importance to Shriners and Shrinedom as well as to the area in which it is located.

The only thing lacking in these Shrine Clubs is the fact that there are many Nobles of Aleppo Temple eligible for membership in a Shrine Club who have not taken advantage of the opportunity.

The cost of membership in all Shrine Clubs is very small considering the opportunities to serve others and to enjoy good fellowship among our members at Club meetings and entertainments by taking an active part in these functions.

Most Shrine Clubs have regular meetings and functions and issue notices of these activities in their communities. If you are not a member, we suggest that you join up now because you will get a lot more fun out of the Shrine by affiliating with the Shrine Club in your Community. A list of the Officers of our eight Shrine Clubs is printed below.

ALEPPO MEMBERSHIP AT ALL-TIME HIGH STILL FOURTH LARGEST

THE REPORT of Aleppo's membership of 1957, as given at the January Annual Meeting by the Recorder, showed Aleppo's membership as of December 31, 1957 to be 16,005, a record for Aleppo since its founding 75 years ago. The report showed a net gain for the year of 128 after heavy losses in the death column, 364 Nobles having passed away during the year.

The National Shrine membership figures for 1957, just released by the Imperial Recorder, show Aleppo Temple still holding its position as Shrinedom's 4th largest of the 166 Temples of the Order. The 5 Temples with memberships of over 15,000 are SYRIA (Pittsburgh) 26,116; AL MALAIKAH (Los Angeles) 22,607; MEDINAH (Chicago) 21,062; ALEPPO (Boston) 16,005, and MOSLEM (Detroit) 15,898.

The annual report also showed 148 Temples with annual net gains in membership and only 18 Temples with net losses. Syria Temple (Pittsburgh) had the largest net gain for the year of 1,423.

The Shrine of North America showed a net gain of 19,483 for the year 1957, bringing the National Shrine membership to an all-time high of 800,332.

WELLESLEY HILLS MAN ELECTED ILLUSTRIOUS POTENTATE

EDGAR L. TURNER of 33 Highgate, Wellesley Hills, prominent in Masonic circles in Massachusetts, was elected Illustrious Potentate of Aleppo Temple of the Mystic Shrine, Boston, at the Annual Business Meeting and Election of Officers held in Mechanics Building, Monday, January 27, 1958.

There were over four thousand Shriners in attendance at this Winter Meeting to witness the election and installation of new Officers and the initiation of 99 new members into the Order, including Affiliates.

The newly elected Potentate and Mrs. Turner reside in Wellesley Hills. They have two married children. Their son Philip and his wife reside in Waldwick, New Jersey, and their daughter, Pauline and her husband, Frederick A. Spencer, reside in Natick, Massachusetts.

After spending 20 years in the greeting card business in Boston with the MacKenzie Engraving Company, the newly elected head of the Boston Shriners entered the Howard Johnson Restaurant Business in 1936 and at the present time owns and operates three of these nationally known Restaurants. He also owns and operates in Eastern Massachusetts the Bottling Distributing Company of the nationally known beverage, Seven-Up (7-UP).

M., of Wellesley, Massachusetts, and during his term of office as Master of the Lodge, was very instrumental in obtaining the new Masonic Apartments now occupied by the Lodge in Wellesley.

Nobles of Southern Middlesex County, Norfolk County and within 25 miles of Framingham are eligible and welcome to join this fast growing Shrine Club.

YOUR NEW OFFICERS

ON the preceding pages of this Notice will be found a complete list of the Officers, Uniformed Units and Committees serving Aleppo Temple for the year 1958.

You elected the Divan Officers at the Annual Meeting in January. The other Officers and Committees are the appointments of the Illustrious Potentate, whose duty it is, upon his election, to select Nobles for these whom he believes will serve under his leadership in a manner that will be pleasing to the entire Nobility. The task of picking a few workers from the membership of 16,000 interested Nobles, hundreds of whom are eager and willing to serve the Temple, is one that would tax the brain of the greatest leader of men.

Your Illustrious Potentate in the selection of his appointed Officers and Committees to serve with him during his term of office, chose those whom he believed were best fitted for the position, and he earnestly seeks the assistance and co-operation of all Nobles of Aleppo Temple in making 1958 a banner year in Aleppo, to the end that all members may reap their share of good fellowship and friendship, and enjoy to the utmost what the Shrine has to offer its members.

Let us all put our shoulder to the wheel and assist our Illustrious Potentate in putting Aleppo "over the top" in 1958.

NATIONAL SHRINE HOSPITAL DAY

Sunday, June 8, 1958, is proclaimed as NATIONAL SHRINE HOSPITAL DAY, commemorating the 37th Anniversary of the WORLD'S GREATEST PHILANTHROPY, SHRINERS HOSPITALS FOR CRIPPLED CHILDREN. It is respectfully urged by the Imperial Potentate that every Shrine Temple, Shrine Club, and Shriners Hospital participate in a program on this day, recalling to all Shriners and the public-at-large the story of the Shrine and its great charity.

SHRINERS ELECT DARTMOUTH MAN CLUB PRESIDENT

NOBLE LINVILLE A. SLONE of South Dartmouth was elected President of the Shrine Club of Southeastern Massachusetts at their January Annual Meeting in Cornell Hall, New Bedford. William Beserosky retired after serving six terms as President.

Also elected were Nobles Albert D. Tilton, 1st Vice President, D. Richard Beserosky, 2nd Vice President, Alvin L. K. Tunstall, Secretary (re-elected), William Stitt, Treasurer (re-elected), R. W. Foster, Trustee of the Crippled Children Fund for 3 years, and, as Directors, David W. Brodsky, Albion B. Stone, Hiram A. Linfield, William Dean, Dr. Irving R. Snyder, Aubrey L. Coon, and Mr. Beserosky.

Deborah Holmes of Carver, 6, was brought to the Meeting by her father, William R. Holmes, a Shriner, to show results of treatment two years ago in the Shriners Hospital at Springfield. Born with a congenital hip dislocation, making her left leg much shorter, she is completely normal now.

A memorial service was held by the Club, for seven members deceased the past year. A buffet dinner preceded the Meeting and two motion pictures followed it. The Secretary reported a membership of 541.

HELP ALEPPO

IF YOU enjoy being a Shriner, remember there are hundreds of other Scottish Rite and Knights Templar Masons who are not Shriners, but could be enjoying Shrinedom with you. If you know a prospect, talk to him about entering our fellowship.

If he isn't ready for the Spring Class, he may be ready for the June Class. In any event, ask him. Sometimes that is all that is needed to encourage another to join our great Temple.

ALEPPO HOST TO NORTHEASTERN SHRINE ASSOCIATION, AUGUST 22 - 23

AT the Annual Meeting of the Executive Board of the Northeastern Shrine Association, held recently at Halifax, Nova Scotia, Aleppo Temple was unanimously selected as Host for the 1958 Annual Field Day and Ceremonial of the Association.

Illustrious Potentate Edgar L. Turner, who was present at the Board Meeting, thanked the Board in the name of Aleppo Temple and immediately advised that he would set the dates of August 22 and 23 for the celebration.

The detailed plans are now in the making and the Illustrious Potentate has already announced tentative plans for a big Shrine Parade in Boston, to end at Fenway Park where ceremonies will be held, followed by Shrine Day at the Ball Game with the Boston Red Sox opposing the Cleveland Indians. The plans also call for a Full Form Ceremonial during the Convention.

The Annual Business Meeting and Election of Officers of the Northeastern Shrine Association will be held Saturday, August 23.

Participating in the events, in addition to the Representatives to the Association's Business Meeting, will be Officers and Uniformed Units of the thirteen member Temples.

A LETTER TO ALEPPO

"My dear Recorder:

"Although I hold no office in DeMolay and am retired as Editor of the Massachusetts DeMolay State News, I am continually interested in promoting good public relations in behalf of the DeMolay boys and their wonderful organization. Thus, I want to express grateful thanks through you to Aleppo Temple for including in the January issue of your excellent Bulletin the article by DeMolay Roger Simpson 'A DeMolay Speaks to Masons'. For this piece of writing by a DeMolay to appear in your publication, which reaches better than 16,000 Masons in Massachusetts, was a crowning achievement in DeMolay public relations. It was another giant step along the trail in DeMolay's efforts to win the respect and more active support of more and more Masons.

"I should like to say, too, in my unofficial capacity, that of all the Masonic units in Massachusetts, Aleppo Temple has been outstanding in its support of DeMolay. More than once, Aleppo Temple has been the means of helping DeMolay raise funds. It has been generous in donating trophies. And, it has helped greatly in the moral support it has given DeMolay through the service on Advisory Councils and in other ways of its members.

"I hope that all Shriners will be aware that among their many good works is their support of the International Order of DeMolay and the Massachusetts unit, in particular.

"Respectfully and fraternally,

"Bro. Richard D. Elson"

(Bro. Elson is the former Managing Editor of the Massachusetts State DeMolay News.)

"Dear Illustrious Potentate:

"Monday and Wednesday evenings are business nights.

"A number of stores including ourselves are open.

"I know that all of us enjoy the meetings, and greatly miss not being able to attend.

"If it were possible to change the meeting days, a number of us would appreciate it.

"Sincerely,

"Morris Tulman"

NOTE: It is the desire of Aleppo Temple to hold Ceremonials when most convenient for the majority of our Nobles. However, we are handicapped by the fact that when renting the entire Mechanics Building, which is necessary for our type and size of Ceremonials for a one-day-meeting, we must accept a day that will fit in between large shows that rent the Building for a longer period of time, in many cases for a week to two weeks. This necessitates our accepting a day between shows, which might be on any day of the week in the particular month we wish to hold a Ceremonial. Many large shows held annually in the Mechanics Building take approximately two weeks to "hang", show, and "break down". These shows have rental contracts for certain dates far into the future which therefore preclude any particular one-day rental.

SPRING CEREMONIAL and STRAWBERRY FESTIVAL
OFFICIAL VISITATION of the IMPERIAL POTENTATE

The Potentate's Message

ILLUSTRIOUS POTENTATE EDGAR L. TURNER

Nobles:

The many complimentary comments received in the Shrine office concerning the Spring Ceremonial and Oyster Festival held April 8, attended by over 4,000 Nobles, have been very gratifying to your Illustrious Potentate.

The Annual Strawberry Festival and Ceremonial will be held Friday, June 6. This Annual Festival Ceremonial is another one of Aleppo's highlights of the year and we again look for an outstanding performance and large turnout of Nobles to greet our Imperial Potentate, Thomas W. Melham, who will be our honored guest on this occasion.

Our Uniformed Units have been rehearsing overtime practicing new drills and maneuvers to assist in making this Ceremonial one of the most colorful Shrine displays ever shown in Mechanics Building. The Degree Staff has also been working hard to produce a real "Hot Sands" Second Section. All of our Units, especially the Degree Staff, gave such an outstanding performance at the April Ceremonial it is hard to believe it could be improved upon. But, the Nobles who lead these Units have really made up their minds that the June 6th Imperial Potentate's Ceremonial will be the most outstanding of the year.

Nobles, this is your opportunity to support the program of your Officers and Working Units by proposing at least one Candidate for membership in the Shrine at this Ceremonial. It is estimated that there are over 10,000 York and Scottish Rite Masons within our jurisdiction who are eligible prospects for membership in the Shrine. It has been found in the past that a personal invitation from a Noble is all that is needed to procure their signature on a petition. Your Illustrious Potentate would appreciate each Noble giving this his earnest consideration, that we may have an outstanding "Imperial Potentate's Class" of Candidates. Nobles, invite that personal friend of yours to sign up and enjoy the Shrine with you. Is it expecting too much to ask for a Class of 10% of the available prospects . . . or 1,000 Candidates?

On Saturday, June 7, Aleppo Temple will sponsor an All-Masonic Night at the Boston Garden, honoring Most Worshipful Andrew G. Jenkins, Grand Master of Masons in Massachusetts. Imperial Sir Thomas W. Melham, Imperial Potentate of the Shrine of North America, will be with us on this occasion. Requests for tickets, which are distributed through Blue Lodge Secretaries, have been so great that again this year the Boston Garden will be filled to capacity. We certainly regret that it is impossible to honor all of the requests for tickets.

The Northeastern Shrine Association will hold its Annual Field Day in Boston, Friday, August 22. There will be a mammoth street parade at noon, arriving at Fenway Park in time for exercises on the field prior to the Boston Red Sox ball game. This parade and exercises will include the marching Units and Bands from the 13 Temples located in New England and Eastern Canada holding membership in the Association. After the Shrine Ball Game, Aleppo Temple will stage a Full Form Ceremonial in Mechanics Building.

Nobles, you will again on this occasion have an opportunity to sell the Shrine by presenting your Temple with a real large Class of Candidates for this tremendous North East Ceremonial.

Why not check up on those eligible Masonic friends of yours now and extend to them an invitation to take the Shrine. Everyone likes the prestige that goes with being a Shriner . . . your friends will like it, too. Invite them to be one of us and make it possible for them to enjoy our activities and become a part of the work being carried on for unfortunate crippled children through the world's greatest Philanthropy. The Shriners Hospitals for Crippled Children, owned, operated and maintained by the Shriners of North America.

Nobles, it's great to be a Shriner!

Sincerely yours in the Faith,

Edgar L. Turner

Illustrious Potentate

The Imperial Potentate

Imperial Sir Thomas W. Melham

Record of THOMAS W. MELHAM Imperial Potentate

THE Imperial Potentate, Thomas W. Melham, was born in Brandt, South Dakota, on January 19, 1902, the fourth son of John and Julia H. Melham.

When Tom was two years of age, his parents moved to Watertown, South Dakota, where his father proceeded to build up a large retail lumber chain. He was also in banking and had retail hardware interests. When Tom was just 13, his father passed away.

It was in Watertown where Tom received his elementary scholastic and business training. In 1923, he graduated from the University of Wisconsin with a B.A. in Commerce and Business Administration. After graduation, and being desirous of sales training, he joined the National Cash Register Company at Dayton, Ohio, serving later in their Philadelphia office.

Preferring a more personal service, he returned to Wisconsin, entering the field of life insurance serving as Special Agent, General Agent, Broker and Manager. He was one of the first in Wisconsin to receive the professional degree of Charter Life Underwriter, later acting as President of the local Chapter and active in the local General Agents' and Managers' Association.

In 1937, he joined the Prudential Insurance Company of America in Milwaukee. In 1952 he accepted a transfer to New York City as Manager of their Manhattan Agency, which Agency received a President's Citation for excellence in overall operation for 1956.

His civic activities during his 27 years residence in Wisconsin were many and varied. Few organizations escaped his active participation. He served nine years as Village Trustee as Chairman of the Finance Committee, as well as Chairman of the Board of Health of Whitefish Bay, in suburban Milwaukee. He was elected the first President of the Whitefish Bay Club. He has also acted as Trustee in several financial capacities.

After Pearl Harbor, Tom was appointed State Rationing Officer by Governor and Noble Julius P. Heil, heading up tire, gasoline and related activities. He is a former member and Deacon of Plymouth Church, Milwaukee.

His Fraternal connections have received his greatest attention, starting with his election to Kappa Sigma, while at the University, serving as Chapter Officer and later as treasurer of the House Association. He is a member of Skull and Crescent, Honorary Inter-Fraternity Group.

His Masonic record is filled with years of devotion. He was raised from Silver Spring Lodge #37, F. & A. M. in 1928, elected Worshipful Master in 1952. He is a member of Kenwood Chapter #90, R A M; Ivanhoe Commandery #24, Wisconsin Valley Scottish Rite, holding several offices and as a degree participant.

He joined Tripoli Temple in 1930, served on the Divan, the Ritualistic Divan and a one-time Chanter. He was elected Potentate in 1943; a member and Past Director of the Royal Order of Jesters, Court #101; of el hajj Court #2 and Past National Emir; member of the Cabiri; of St. Quentin Conclave #75 Red Cross of Constantine, and Honorary Member of the National Sojourners.

It was in 1948 that Tom was elected Imperial Outer Guard, becoming the first Wisconsin Shriner to be so honored. He helped organize the Great Lakes Shrine Association, currently the largest in Shrine membership. Refusing any office therein, he was elected its Honorary President. He was elected into the Wausauken Indians of Zor Temple, being designated "Chief Badger".

Upon his transfer to New York, the Melhams currently reside at Hickory Hill, near Northport, Long Island, amidst some sixty acres of azaleas, rhododendrons and other nursery varieties indigenous of that area.

With them are their two sons, John II and Thomas, Jr. Tom's daughter, Mrs. Mary Lou Jaeger, lives in Fort Dodge, Iowa.

1958 IMPERIAL COUNCIL SESSION

THE 1958 Shrine Convention will be held in Chicago, Illinois, the week of July 14, with Medinah Temple as host.

The celebrated Day Parade will be held Tuesday Morning, July 15th, with the Reviewing Stand in Soldier Field. The parade will start at Ohio Street on Michigan Boulevard, then south to Soldier Field.

At the close of the Day Parade, the Imperial Council Business Session for Representatives will open in the Ballroom of the Palmer House, and Nobles and Ladies will be admitted to the opening ceremonies.

The Election of Officers Session of the Imperial Council will be held Wednesday morning, July 16, in Medinah Temple. The Pageant and Reception for the newly elected Imperial Potentate will be presented immediately following his election in Medinah Temple. All Nobles and their Ladies are invited to attend.

The big Night Parade will be held Thursday, July 17th, and will follow the route of the Day Parade. All indications point to this being the largest Shrine Convention ever held.

A very special entertainment is being developed by Director General James W. Hilton to be offered for all Nobles and their Ladies and friends at the Stadium on Wednesday evening. Tickets may be ordered for all of these functions from the Director General, James W. Hilton, 600 North Wabash Avenue, Chicago 11, Illinois.

Rooms for visiting Nobles can be secured by contacting Mr. Hilding N. Johnson, Housing Co-Ordinator, 105 West Madison Street, Chicago, Illinois.

ILLUSTRIOUS POTENTATE'S VISITATIONS

ILLUSTRIOUS Sir Edgar L. Turner, Potentate of Aleppo Temple, has had a busy four months since being inducted as the number one Shriner of Aleppo last January. He has carried the message of Shrinedom and its Philanthropy, "The Shriners Hospitals for Crippled Children", to many Masonic Lodges, York and Scottish Rite Bodies, and several of our Shrine Clubs sponsored by Aleppo Temple. He has also paid official visits to several Shrine Temples in the Northeastern Area, accompanied by members of his Divan, Past Potentates and Officers.

Worcester County Shrine Club
Potentate's and Ladies' Night

The second largest Shrine Club in Aleppo's jurisdiction, The Worcester County Shrine Club, held its first Ladies' Night for Nobles, Masonic guests, and their Ladies at The Tatnuck Country Club, Worcester, on Tuesday, April 22. This event, which was attended by 180 Nobles, guests and Ladies, was held in conjunction with the Annual Potentate's Night.

As an innovation, the Club invited as the honored guests the presiding Potentates of the two Massachusetts Temples, Aleppo of Boston and Melha of Springfield. Although the Worcester Club was founded and is sponsored by Aleppo Temple, Melha Temple has concurrent jurisdiction in Worcester County with Aleppo, due to an agreement in 1935 at which time Aleppo granted the rights to its Sister Temple in Springfield.

This innovation of a joint Ladies' Night was suggested by Illustrious Potentate Turner for the purpose of cementing the Friendship and Shrine Spirit between the two Temples in Massachusetts.

Among the head table guests, in addition to Illustrious Potentate and Mrs. Turner, were the Illustrious Potentate of Melha Temple, Springfield, Bennett Benson and Mrs. Benson, Imperial Sir, Past Imperial Potentate Robert Gardiner Wilson Jr. and Mrs. Wilson, and Divan Officers, Past Potentates, and Ladies of the two participating Temples.

The roast beef dinner, served by the Club Steward, was followed by a message from each of the two Potentates, and the introduction of guests. The evening's festivities were concluded with dancing.

Charles River Valley Shrine Club
Ladies' Night and Reception

An outstanding Shrine event of the Spring season was the Ladies' Night and Reception in honor of Illustrious Potentate Turner, sponsored by the Charles River Valley Shrine Club on Monday, April 28.

The Club procured the exclusive use of The Meadows, Framingham, for the occasion, which was attended by 315 Nobles and guests and their Ladies.

The event was a very pleasant and colorful affair, with each Lady being presented an orchid.

The Illustrious Potentate was accompanied by Past Imperial Potentate Robert Gardiner Wilson, Jr., members of his Divan, Past Potentates, and Temple Officers and their Ladies.

Following the introduction of guests and a message from Potentate Turner, a vaudeville show was presented by the Club.

A special feature during the dinner was a fashion show given by Mrs. Carl Erickson of Framingham.

Dance music by Paul Ambler and his Orchestra concluded the evening's festivities.

This Shrine Club, the youngest of eight sponsored by Aleppo Temple, has become one of the most active and is making a bid for the largest club membership, having recently made an increase of 111 new members through a membership campaign.

Annual Guards' Party

The Aleppo Temple Guards, under the leadership of Noble Raymond Phillips, Captain of the Guard, held its Annual "Stag Night" at Blinstrub's Restaurant, Monday, May 5, with the Illustrious Potentate Edgar L. Turner as their honored guest. The affair was attended by 42 Guards who presented the Illus. Pote with an appropriate gift. The

Potentate responded with appropriate remarks and thanked the Guards for their fine assistance and cooperation in properly tiling our Temple during Ceremonial Sessions, and other events of Aleppo.

Shrine Club of Southeastern Massachusetts

The oldest Shrine Club in Aleppo's jurisdiction, The Shrine Club of Southeastern Massachusetts, held its annual Potentate's Night at the New Bedford Hotel, Wednesday, May 7, with Illustrious Potentate Edgar L. Turner as the honored guest. The Potentate was accompanied by a large suite of Nobles, including his Divan, Past Potentates and Temple Officers.

The Potentate was given a reception at the Wamsutta Club, New Bedford, by the Officers of the Shrine Club, followed by a banquet in the Hotel, which was attended by 375 Nobles and guests from the Southeastern Area.

Gifts, donated by members of the Club, were distributed during the evening and a gala floor show concluded the "Festive" evening.

The North Shore Shrine Club

As we go to press, two of our Shrine Clubs are making plans for their Annual Potentate's and Officers' Visitations.

On Friday, May 9, the North Shore Shrine Club, with Past Potentate Herman C. McStay as President, has made plans for an outstanding event to be held at the Spray Cliff Inn, Marblehead, with a reception to Illustrious Potentate Turner, a banquet and entertainment. This occasion, as in past years, will include Nobles and Ladies in the North Shore Area.

The Newburyport Shrine Club

The Newburyport Shrine Club is planning an event similar to the North Shore Club visitation to honor Potentate Turner at its Annual Potentate's and Ladies' Night to be held at Wentworth-by-the-Sea, Portsmouth, New Hampshire, Thursday, June 26.

Tentative plans call for a Social Hour, 6:30 to 7:30, roast beef dinner and professional entertainment and dancing by the music of The Wentworth Orchestra.

Tickets may be obtained from Chairman Dan Phillips, 11 Green Street, Newburyport (telephone HO 2-3752).

FACTS AND FIGURES
in the operation of the
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

WE wish everyone could realize the magnitude of the business of operating these hospitals and the multitude of services necessary for the children under our care. In our temples of mercy they receive the highest type of hospitalization, medical care, physical therapy and other necessary treatment. In addition, thereto, while mending their little bodies, trained nurses, schooled in psychology, minister to their little minds. School work, entertainment and occupational therapy are provided. Because of such loving care in these havens of hope, clouds of despair give way to rainbows of hope, heavy hearts are lightened and gloomy faces brightened by happy smiles.

Carrying on this work, which has grown until it has become the world's greatest philanthropy, has cost Shriners a staggering sum of money; but, oh! the joy they have derived from helping the most pathetic of all human beings . . . a handicapped crippled child, with no chance of having its broken body mended except in our temples of mercy.

In the Shrine, "our jewels are the cast-off braces and abandoned crutches of boys and girls who need them no more." We glory in temples of baby smiles wherein every needy, crippled child is welcome. Our philosophy unites fellowship, friendship and a happy philosophy of life with the joy of doing good. Truly, we are writing history in the work we do for the men and women of tomorrow.

NOTES FROM THE RECORDER YOUR 1958 SHRINE CARD

NOBLE, you will need your 1958 Shrine Card to attend Aleppo's Summer Ceremonial and Strawberry Festival, Friday, June 6, 1958. If you do not have yours why not get it now. Don't wait until the day of the Ceremonial.

If you will send for yours now, it will save you a lot of time and permit you to enjoy the meeting a great deal more, as well as to avoid a lot of confusion in the Shrine Office the day of the meeting. It will also permit your Shrine Office to function more efficiently. So, if you have not obtained your 1958 Shrine Card yet, be a good Noble and mail your check today. Your card will be immediately returned to you, and your worries will be over.

NEW MEMBERS

NOBLER, have you had the thrill of sponsoring a candidate for membership in Aleppo recently? How about searching out a prospect and signing him up for our big Summer Ceremonial? By doing so, you will make at least two people happy . . . yourself and the candidate.

AFFILIATION TO ALEPPO

IF you know of a Noble who belongs to another Temple and has moved into our jurisdiction, invite him to affiliate with Aleppo. There is no charge for affiliation and if his Demit from the other Temple is issued in the current year, there is no charge for dues or assessment for the balance of the year. To affiliate with Aleppo, it is only necessary for a Noble to obtain a Demit from his present Temple by making a written request for the same and presenting it to the Recorder of Aleppo, accompanied by a Petition for Affiliation. Affiliation petitions are available from the Recorder.

REINSTATEMENTS

THERE are many Nobles who, in the past, have not found it possible to keep up their dues and have, therefore, had to relinquish their Shrine membership. We would welcome these Nobles back in the Shrine. If you know of any of these Nobles, have them contact the Recorder, who will advise them how easy and reasonable it is to Reinstate, provided they are in good standing in their prerequisite organizations.

MASONIC FACTS

ACCORDING to the last reports, there were approximately 133,000 Masons under the jurisdiction of the Grand Lodge of Massachusetts.

The first three highest ranking Masons in the world are:

1. The Right Honorable The Earl of Scarborough, present Grand Master of England.
2. Most Worshipful Raymond F. Brooke, present Grand Master of Ireland.
3. Most Worshipful Andrew G. Jenkins, Grand Master of Masons in Massachusetts.

The three tenets of Masonry are **Brotherly Love, Relief, and Truth.**

KNOW ANY PROSPECTS?

NOBLE, if you enjoy being a Shriner, remember there are hundreds of Knights Templar and Thirty-Second Degree Masons in our jurisdiction who might also enjoy the Shrine.

If you know of a prospect, talk to him about signing that Petition NOW for our Summer Ceremonial and Strawberry Festival, Friday, June 6, 1958.

Every Master Mason is a prospective future Shriner. He must, of course, become a Thirty-Second Degree Mason or a Knight Templar, and whichever "Rite" he may choose to join in his journey toward the Shrine will enlarge his Fraternal associations and enhance his Masonic career.

LOST ON THE DESERT

THE FOLLOWING is a list of names and last known addresses of Nobles of Aleppo Temple whose mail is being returned by the Post Office marked "UNKNOWN" or, "MOVED — LEFT NO ADDRESS."

We would appreciate help in locating these Nobles. If you know of a better address, let us know . . . or contact them direct and request them to advise the Recorder to assure future Shrine mail delivery.

"YOU TAKE IT FROM HERE" — FOUNDATIONS —

by
**The Reverend Thos. B. Lyter, D. D.,
Imperial Chaplain**

I READ about a hill-billy who met his minister and insisted to him that he had finally "got religion." "That's fine, brother," replied the minister, "but are you sure you're going to lay sin aside?"

"I sure am," was the reply.

"Are you going to pay up all your debts?" continued the minister.

"Now wait a minute, Reverend!" protested the hill-billy, "You ain't talkin' religion now, you're talkin' business."

I liked that story because I have a hunch that if a man "has religion" somehow his business must get touched by it. The two mix well. And when you mix them, both improve. You have better business and better religion.

Now let's carry that thought over into our Masonry. Let's talk about another mixture that will do us all good. Let's mix up a bit more of the Blue Lodge with the Shrine.

Foundations are important. Did you read of the dozens of families that had to leave their homes in New York City the other day because the foundations gave way?

The foundation of the Shrine is the Blue Lodge and don't let us forget it. We love the Shrine, the fellowship, the fun, we like to feel a part of the great charity we support. But without the Blue Lodge we'd have no Shrine.

I believe I have about every degree that Masonry offers; each teaches a lesson and leaves an indelible impression — but did you ever see or hear a more comprehensive degree than the Entered Apprentice?

Maybe you haven't seen it for a long time. Maybe you have heard the basic wisdom of its lectures only once. Better hear them again and see that degree — and think.

Yes, the truly religious man mixes business with religion. The two are as one. And by that same token the True Shriner will mix up a good deal of support of his Blue Lodge with his love for the Shrine.

He wants to be certain that the foundations are secure. Look well to your Blue Lodge. The True Shriner will do this.

SHRINE PROTOCOL ACCEPTED SALUTATIONS

The Salaam:

A Noble addressing the Potentate while he is presiding in the East should always give the Salaam.

The Salaam is always given by the **Potentate and members of his Divan when receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates.** The Imperial Potentates do not Salaam in return but give the sign of the Order.

Salutations:

An Imperial Officer as well as a Past Imperial Potentate is always addressed as "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir."

Salute:

The Military Salute is used when reciting the Pledge of Allegiance and during the playing or singing of the National Anthem.

NEW SHRINE PLEDGE OF ALLEGIANCE

The following Shrine Pledge of Allegiance was written for and approved by the Imperial Council of the Shrine of North America. Although it differs slightly from our National Pledge, it is worded so as to be used in Ceremonials and other Shrine functions held in the three countries where Shrine Temples are located . . . the United States, Canada and Mexico.

"I pledge allegiance to my Flag and to the country for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

Salute to the Flag:

A Noble who is wearing his Fez will execute a righthand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed he should

drop his right hand. In case the same Colors pass the same point again, as frequently happens in a Ceremonial procession or in display drills, the Colors need not be saluted a second time. The same rule applies to street parades.

DON'T SCARE AWAY CANDIDATES! REQUEST NO WORK "RED TAG"

THERE are many York Rite and Scottish Rite members eligible to be Shriners who hesitate to petition for membership in Aleppo. Because of physical or other good and substantial reasons they are unable to endure the ordeal of the very much over-emphasized "Shrine initiation."

There are always plenty of able and willing "Novices" in our classes of candidates to properly stage our "Second Section Initiation" . . . **SO LET'S NOT SCARE AWAY ANY CANDIDATES** who might feel that the initiation would be too strenuous. Rather, let us seek these fellows and assure them that this part of the ceremonies is not obligatory; their petitions will be plainly marked "NO WORK" and there will be no physical ordeal in such cases.

OYSTER FESTIVAL ATTENDED BY 4,138

THE Spring Ceremonial and Oyster Festival of Aleppo, held Tuesday, April 8, was attended by 4,138 Nobles, including Officers, Uniformed Units, and visiting Shriners.

There were 110 Novices initiated into membership at this Ceremonial.

Chief Steward Bohanon of Aleppo reported that the Nobles attending this Oyster Festival consumed over 57,000 oysters during the two-hour buffet dinner, in addition to ½ ton of special frankfurts, 400 gallons of coffee, 1,400 bottles of milk, and various other hot and cold foods.

NOTHING COULD BE FINER THAN TO BE A HAPPY SHRINER IN ALEPPO!

The Way to Happiness in the Shrine:

- 1—Be an active member. Don't be the kind who just belong.
- 2—Attend meetings regularly.
- 3—Participate freely in all Shrine affairs and activities.
- 4—Affiliate with a uniformed unit or the committee that offers opportunities for service that are best suited to your talents and inclinations.
- 5—Work for the Shrine for the joy of bringing the benefits and privileges that accrue to Shriners into the lives of more and more members of the Masonic Fraternity.
- 6—And lest we forget: Those who work for the Shrine are also extending their efforts on behalf of the Shriners Hospital project. This is truly the modern counterpart of the Biblical Good Samaritan. Thousands of physically impaired youngsters are made whole annually. Others are benefited sufficiently to enable them to enjoy the blessing of life. Merely to be identified with this project is worth the cost of joining and belonging to the Shrine.

SHRINE HAWAIIAN CRUISE, 1959

IMPERIAL Potentate Melham sailed from San Francisco on April 10th with the largest passenger list we have yet sent to the Islands on an Imperial Cruise.

We are happy to report that Imperial Sir George E. Stringfellow will sail next Spring, April and May, on his Imperial Cruise to Hawaii and a cordial invitation is extended to all Nobles to go along. It is apparent that more space will be called for next year than for any past year.

The Shrine Cruise to the Islands is one that is long remembered by all who make it and we suggest that Nobles get their order for space at an early date.

Announcement of the definite date for the Cruise will be made following the election of the new Imperial Potentate in July.

ALEPPO DOCTOR RECEIVES 33rd DEGREE

A MEMBER of Aleppo's Medical Staff for many years, Doctor Winfred Overholser was recently honored by the Supreme Council, Southern Masonic Jurisdiction of the Scottish Rite who conferred upon him the K.C.C.H. and the 33rd Degree Honorary, at ceremonies in Washington, D. C. in October.

Doctor Overholser who has been a member of Aleppo Temple since 1919 is the Superintendent of Saint Elizabeth's Hospital in the Nation's Capitol, a position he has held for many years since leaving Boston.
